

INTRODUCING RF CONNECTORS PRODUCT EXTENSION

- Up to 26.5 GHz operation
- 50 Ω impedance

In a continuing effort to meet market demand, TE Connectivity (TE) is adding an assortment of BNC, SMA, and SMP RF connectors to the product portfolio.

APPLICATIONS

- Wireless communication
- Antennas
- Internet of Things (IoT)
- Instrumentation
- Telecommunications
- PC/LAN
- Video systems
- Test & Measurement
